The Chinese
Heritage Association of
Australia is presenting
this program as part of the
NSW History Week 2010
theme 'Faces in the
Street'.

Can you identify a Chinese face? A
Japanese face? A Korean face?
A Vietnamese face?
In this presentation you will meet 5
Asians, giving you an opportunity to see
if you can pick their origins. They will
talk about themselves, their cultural links,
where they were born and where they
live.

A program suitable for all ages. Come along and be informed and
entertained. The program includes afternoon tea after the presentation.
